YOU SHOULD REALLY GET COMMITTED

How many times have you purchased a wonderfully enticing comic book only to find out that it was really just pretty wrapping paper with no gift inside? It's kind of like getting socks for Christmas, isn't it? Here at Committed Comics, we don't pander to passing fads, we don't use shock value or gimmicks to sell our books. Today's comic fans want the same thing that their ancestors wanted way back in 1939 – Quality entertainment at an affordable price. Our goal is to create comic books that embrace the proud traditions of this most illustrious of industries.

Keep your eyes peeled for the glorious tales of The Cavalry, Freak Meter, God Among Men, Hard Copy, Jackrabbit, and The Longest Road – and those are just the beginning! But wait... how will you know when these titillating titles have hit the retailer's shelves and are ready for you to devour them with devilish delight? Have no fear, we keep our fans up to date on every baby step and giant leap we make – just go to our website.
